Media Release Form - information

We would like to humbly request you to fill-up and submit to us the Media Release Form. As we are happy to see that you are blest by the items that we give out to you, so would be the donors who entrusted these items to us. It would encourage them to continually give and hopefully, more. This would enable us to reach out continuously to those in need and to more people. It is our fervent wish that as you have been helped, a desire to help also those in need would grow in you.

Filling-up the Media Release Form would in no way influence our approval of your application to be a recipient of the items we give out. It would be nice though, if you help us carry the load of helping those in need.

God bless you.

Yours,

Rolando Punongbayan Jr.
